

Munchmats are designed to engage parents and children in meaningful dialogue at mealtimes and other times and places when the family is together.

MunchMats have been developed around specific Educational Themes. The initial Themes are:

- Alphabet
- Colors-Shapes-Letters-Numbers
- US Geography
- Plus 15 additional themes in development

Each Theme is printed in brilliant color on 11" X 17" paper. There are 30 DIFFERENT activity pages per Theme. Each page presents unique educational content using a variety of exciting and motivating Learning Activities, Skills, and Knowledge such as:

- Critical Thinking
- Visual Perception
- Eye-Hand coordination
- Matching
- Labeling
- Spelling

- Writing
- Coloring
- Finger Dexterity
- Form Perception
- Color & Shape discrimination
- Plus many, many more

Each theme has 3 special common pages:

<u>Just For Parents</u> page that offers suggestions on the use and applications of the Munchmats

<u>Review</u> page is a final challenge exercise the covers the content presented in previous exercises.

<u>Diploma</u> page that documents that the child has completed all of the activity pages. This diploma can also be personalized and purchased at **www.munchmats.com**

Each theme comes packaged in a heavy duty plastic zip lock tote bag that is used for safe storage and is strong enough to throw into the car for those family trips to restaurants and vacations.

There is also an accessory that is referred to as a "Lap Board" that is used while working on the MunchMats when there is no hard surface available (as in a car). The Lap Board is a sturdy 11" X 17" vinyl surface that comes with colored pencils.

Alphabet Theme covers all 26 letters in great detail as well as introducing vowels and consonants. Each page introduces a new challenge for the child plus many opportunities to practice the newly learned skills. While building on previous pages, the activities become more challenging.

US Geography Theme covers a very broad range of topics such as:

- States, Capitols, & Cities
- Landmarks
- Historical Events
- Language & Vocabulary of Geography
- Superlatives

- State Details & Regions
- Map Reading & Using the Compass
- Latitude & Longitude
- Plus many others

Colors-Shapes-Letters-Numbers Theme is very

challenging and exciting. Colors are integrated with the shapes and both colors and shapes are used to introduce number concepts from O-9. The alphabet is introduced since letters are used extensively throughout all activities in this theme
